REQUEST FOR CONTINUED EXAMINATION AND EXTENSION OF TIME

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-3513
U.S.A.

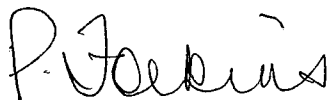

Dear Sir:

Re: U.S. Patent Application No. 10/815,717
Title: METHOD OF IMMOBILIZING MEMBRANE-
ASSOCIATED MOLECULES
Filing Date: April 2, 2004
Applicant: John D. Brennan

In response to the Advisory Action mailed September 6, 2007, Applicants submitted a Request for Continued Examination in connection with the above-noted application. However, Applicants failed to simultaneously submit the required extension of time fee. Since a two-month extension of time was submitted along with Applicants' Response on August 27, 2007, Applicants are authorizing the Commissioner to charge \$570.00 to our deposit account. This amount is the difference between a two and three month extension of time.

This fee is being submitted today electronically.

Respectfully submitted,

Patricia Folkins
